## News Update - July 8, 2015

Greetings dear brothers and sisters,

Just yesterday the Lord gave me a fresh revelation of compassion. When I looked into the eyes of lost souls on the streets of Sacramento, CA, it sparked a vivid burning passion in my heart for just how serious the need is of these lost souls. Their eyes were distant and you could see that many were lost in their own world of rush and stuff. So many rejected the words of life we had to offer. It was so sad to see so many with no time for God. Yet there were many rays of light in the midst of the darkness. I found many who took tracts, some wanted prayer, and a pastor who still taught a clear new birth and sanctification. I also encountered a man hungry for God. When I asked him "If you died right now, where would you end up?", he was immediately interested in what I had to say. He answered "I hope Heaven." I then asked him "Do you think about that often?" He affirmed that he was concerned and did occasionally contemplate where he would spend eternity. Thank the Lord I was able to explain how he could know he was ready for Heaven! I did not press him to pray at this time as I could sense that he needed time to soak. I prayed for him and gave him some tracts and Pastor Strawn's card from the Sacramento Wesleyan Methodist Church. Please pray for this young man and the many souls we reached with the Gospel message.

Jesus, our great example, looked with compassion and wept over the city too. Will you weep over the cities of the USA as we do? Please seek God for a fresh burden for souls.

It is always exciting to meet zealous brethren across the USA who want to win souls. This trip has been a blessing to the many we ministered to on the streets and in churches but also a real blessing to me as I watch brothers and sisters join us for evangelism in their local areas.

Since last writing to you we have ministered in Utah, Arizona, and California. Lord willing, we are departing from CA in a few hours and heading towards Nevada and then Northern Utah tomorrow. Below are some pictures of some who helped Gabi and I on the streets. Unfortunately we were not able to get pictures of all our helpers...

Several things on our schedule have changed since our last letter. One change is that, sadly, Youth Congress in Indianapolis (great commission camp) had to cancel this year. So they have moved the great commission camp evangelism event to be a week later in Urbana, IL. There have also been some delays and additional places to evangelize.

Please pray for us as we begin our trek back across the USA to PA. Lord willing, we plan to do street evangelism and church plant scouting in the Salt Lake City area. We are planning to do street evangelism helping the Faith Missionary Church & Jeffers Campmeeting in Sioux City, IA. Then onward to Urbana, IL for Great Commission Camp and also spend a day in the Indianapolis area on the streets as well. We must make it home by July 22nd for our annual church conference.

We praise God for the souls who have prayed for salvation throughout this trip. Glory to God for these victories won because of all who pray and support this mission work. Please continue to lift us in prayer as we have cities to evangelize and A LOT of miles to cover over the next two weeks. As always, it has been the prayers and support of God's people which have aided us to make a successful journey. I believe God will do it again!

The Keister's for Christ!
