Greetings Brothers and Sisters,

How refreshing this week has been already as spring has shown up early. Temperatures were in the 70s in PA, with the sun shining everywhere. With spring comes the excitement of an increase in outdoor evangelism. With my foot healed up and evangelism travels resuming soon, more souls can be engaged with the Gospel.

My intent is to be brief with the news and share some serious prayer requests. Since last writing in mid-February, I have been to two conventions: God's Missionary Church Ministerial and ICHA Preacher/Laymen Convention. I was greatly encouraged and received some good spiritual food. As a minister it is important for us to also receive edification just as every Christian does. I often do not get to attend GMC's Ministerial, since I am often times on the road in the warmer states evangelizing somewhere.

In addition to the two ministerial conventions, we recently held a street meeting in Downtown Harrisburg. We were blessed to have several join us: Harry Shipman, Bro. & Sis. Herrick, and a few students from Penn View Bible Institute (PVBI), along with Dr. John Anthony, the director of the music department at PBVI. The group from Penn View did a wonderful job singing and it was used of God to draw hearts! God was at work the whole time. I was excited when one man requested prayer for a renewed relationship with Christ while they were singing.

It was so nice to have Bro. and Sis. Herrick help again. Bro. Herrick preached for a while, and Sister Herrick always does a great job with the people she meets. We are grateful for the 3 students from PVBI, Ruth Anthony, Will Black, and Vernon Hayden from Papua New Guinea. Please pray for the souls who received the Gospel in Harrisburg. You can watch the video of the street meeting here:

- Motorhome repair project: need to raise estimated \$2000-3000; \$1500 ASAP to order parts; remaining funds raised by March 20th (MH Project) \$100 Raised
- Trip 50 (April): Kentucky, Indiana, and Ohio, Helping small churches, IHC, and Bible College student mentoring
- Spencer: scheduled deputation services, more regular supporters, and great need for more deputation services before mid-June
- Federal civil rights cases we've filed: (1) University of AL, waiting on Judge's decision or going to trail; (2) City of Greensboro, NC, new case filed.
- Pray for our persecutors: (1) those who are harsh with us on the streets or curse God; (2) opposition faced, which limits mission services at churches or financial support, that stems from people not accepting us as missionaries, or stems from rumors that we are too forceful—what we do is what Jesus, Paul, John the Baptist and our ancestors did before us, like John Wesley and William Booth; (3) those who are against us because we stand for and exercise our constitutional free speech rights, and have cases brought against police when they violate the law and stop our free speech; (4) those who criticize us for publicly speaking the truth and rebuking unrighteous actions of others. Pray for them all; I fear the wrath of God could fall upon our persecutors, which I have seen happen in the past. Every Christian lives in spiritual warfare. Pray for our persecutors!
