

Evangelism Mission & Holiness Pioneers

Brief Update— May 2024

Dear Brothers and Sisters,

I hope this letter finds you blessed in the presence of the Lord. Thank you for your kind offerings and your many prayers. God has used them to propel us across the nation once again. Below I will share a brief update, praises, and prayer requests.

This trip has been hindered by four occurrences of vehicle problems. The first one occurred when the motorhome transmission pan seal started leaking because the pan was bent between bolt holes, resulting in the necessity of replacing the pan. This caused myself and other volunteers to lose a day of ministry in Indianapolis. Then the battery had to be replaced in my car. The next problem was a tire blow out on the motorhome. Finally, the pads on the motorhome front brakes had to be replaced unexpectedly since they were just replace 14 months ago. WE NEED PRAYER.

On a more positive note, we were able to visit the ICHA Home Missions Church in Marshfield, Missouri. We had a successful visit and analyzed the community for a future outreach event. We also made it to Phoenix and were able to do an outreach in the downtown area with people from The Gospel Center and brother McBride with the Wesleyan Holiness Association of Churches. We were also able to strategize with the Phoenix Wesleyan Holiness Church to plan out a future outreach and helped them design a sign for their property. We were able to make it to Kingman, AZ for outreach and a church service in the park. Sadly our church service in the park was poorly attended because it was hindered by cold weather and high winds causing.

Praise the Lord for the following:

- The many encounters in Phoenix and Kingman and the people we prayed with.
- Safety when the tire blew out.
- Free mechanics to resolve the leaking transmission pan issue at two different garages. We paid for parts only!
- Someone provided \$550 for blown tire and some of

the brake pads cost.

- \$150 off the cost of the specialize AGM car battery needed for towing the car.

Please pray for the following:

- Our continued ministries on mission trip 73.
- Safe travel to Utah, South Dakota, and Minnesota.
- No more mechanical problems with motorhome and car.
- The helpers that are coming to Salt Lake City and Minneapolis. (Rodney McBride and Randy Albertson and two of his sons)
- The salvation of the many souls that we will encounter.
- Good weather for all our outdoor events.
- Our future events will not be hindered by circumstance.
- \$5000 for Holiness Pioneers needed to complete this mission trip in addition to regular operating support.
- Mother Rheta Keister's Cancer Treatments.
- Several Unspoken Request.

Want to helps us make the remainder of Mission Trip 73? Please consider sending extra support for our Holiness Pioneers cause, since most of this trip is for the locations where we are doing exploratory evangelism. I

am presently in Denver, and the Lord Willing, arriving in Salt Lake City on May 24th. Then I should be arriving in Mitchel SD around Jun 10th and Minneapolis on July 1st. The Lord willing I should be back to Middleburg PA in mid July. Please pray for all the above!

Thank You for your prayers and support, Bro. Keister
