Effective Encounter Using the Law & Free Speech Rights (on other side)

1. Ask "Are you a good person?"
2. Ask "May I ask a few questions to see if you're a good person?"
3. Recite some of the 10 Commandments and ask if they've broken any of them and then read (James 2:10)
4. Let the Law speak for itself, and their guilt to be self-admitted
5. Explain God's judgment
6. Present Christ's atonement as the solution to their sin problem
7. Lead them to pray:
8. (1. Confession, 2. Repentance, 3. Believe on Jesus Christ.)
9. Counsel for verification, see if the Holy Spirit bears witness with their spirit
10. Encourage them towards a good church and to be disciplined

Salvation Scriptures

1. Confess

1 John 1:9 "If we confess our sins, he is faithful and just to forgive us our sins, and to cleanse us from all unrighteousness."

2. Repent

2 Corinthians 7:10 For godly sorrow worketh repentance to salvation not to be repented of: but the sorrow of the world worketh death.

Mark 1:15 "And saying, The time is fulfilled, and the kingdom of God is at hand: repent ye, and believe the gospel."

3. Believe

Acts 16:30b-31 30 "...Sirs, what must I do to be saved?" 31 "And they said, Believe on the Lord Jesus Christ, and thou shalt be saved, and thy house."

The Roman's Road

Romans 3:23

"For all have sinned, and come short of the glory of God;"

We all have sinned and must admit it.

Romans 6:23a

" For the wages of sin is death;... "

Sin has an ending. It results in death. We all face physical death, which is a result of sin. But a worse death is spiritual death that alienates us from God, and will last for all eternity. The Bible does plainly teach that there is a place called the Lake of Fire where lost people will be in torment forever. It is the place where people end up who are

spiritually dead. *Do you understand that you deserve death for your sins?*

Romans 6:23b

"... but the gift of God is eternal life through Jesus Christ our Lord."

Salvation is a free gift from God to you! We can't earn this gift, we must receive it.

Romans 5:8

"But God commendeth his love toward us, in that, while we were yet sinners, Christ died for us."

When Jesus died on the cross He paid sin's penalty.

God loves you and reaches out to you right where you are. He does not expect you to get your sins cleaned up first, you must come to Him and let him cleanup your sins. You will never get victory over all your sins on your own. You can only be saved by Jesus Christ.

Romans 10:13

"For whosoever shall call upon the name of the Lord shall be saved."

Call out to God in the name of Jesus!

Romans 10:9,10

"That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved. For with the heart man believeth unto righteousness; and with the mouth confession is made unto salvation."

Revelation 3:20 Jesus said,

"Behold, I stand at the door, and knock: if any man hear my voice, and open the door, I will come in to him, and will sup with him, and he with me."

Is Jesus knocking on your heart's door?

If you know that God is knocking on your heart's door, what should you do?

1. Confess you sins (1 John 1:9)
2. Repent, be sorry to point you turn from sin (2 Corinthians 7:10)
3. Believe on the Lord Jesus Christ to save you. (Acts 16:30b-31)

When you clearly pray through, God will witness with your spirit..... Romans 8:16:

"The Spirit itself beareth witness with our spirit, that we are the children of God:"

This is the real purpose of the Death and Resurrection of Jesus Christ, that we may be forgiven and delivered from our sins. The result is a changed life, we become a new creature. 2 Cor. 5:17 "Therefore if any man be in Christ, he is a new creature: old things are passed away; behold, all things are become new."

FREE SPEECH RIGHTS & COURT RULINGS RELATING TO STREET EVANGELISM & PREACHING

I. Open air preaching is protected by the United States Constitution: "Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances."

II. We have the right to pass out literature, preach, and display signs on public areas (Coates v. Cincinnati 402 U.S. 611 / Edwards v. S. Carolina, 372 U.S. 299 / Furr v. Town of Swansea, F. Supp. 1543).

III. We have the right to exercise our religion and speak in all quintessential public forums (Frisby vs. Schultz, 487 U.S. 474 / U.S. v. Grace, 461 U.S. 171, 176).

IV. We have a "guaranteed access" to streets, parks, and other 'traditional public forum' and mere inconvenience to the government will not outweigh our free speech interests (Hague v. C.I.O. 307 U.S. 496).

V. Our freedom of speech may not be prohibited merely because it offends some listeners (Cantwell v. Connecticut, 310 U.S. 296 / Simon & Shuster v. New York State Crime Victims Bd, 502 U.S. 105 / N.Y. Ties v. Sullivan, 376 U.S. 254).

VI. A city may not consider the listener's reaction when permitting free speech activity (Forsyth County v. The Nationalist Movement, 505 U.S. 123).

VII. Hecklers do not have veto power over a speaker's right of free speech but Police must control a crowd rather than arrest the speaker in order to maintain order (Cox. v. Louisiana, 379 U.S. 536).

VIII. We have the right to be loud enough to be heard (Saia v. New York, 334 U.S. 1943).

IX. We have the right to be protected by law enforcement if the crowd is offended by what we are preaching and becomes hostile (Hedges v. W.C.U.S.D. No. 118, et al. 9F.3d 1295).

X. Permits are not allowed to be used to restrict a speaker's right of free expression and permits may not be used as a prior restraint on free speech (Kunz v. New York, 340 U.S. 290).

XI. A free speech lawsuit is a Federal case and allows us to sue Policemen and guards in their official capacity and as individuals (Freedom Restoration Act, Title 42, Section 2000aa.).

XII. A freedom of speech lawsuit will subject them to pay our damages and all our attorney fees (42 U.S.C. §§ 1983 and 1988).

Please understand that these rights are for public property. You do not have the same rights on private property and would need permission first or could be "trespassed." Public universities and colleges are generally public property. Local sound ordinances may be in place and unlawfully restrict your civil rights. If this happens you must weigh the matter as which battle you are willing to wage. Just because something is not constitutional does not stop an officer from arresting or criminally citing you for local ordinance violations costing you time, money, and a criminal record.

This may not be the most up to date case laws on free speech and is not officially legal advice nor is it the whole of the law. There may be some Federal Districts that have new rulings that supersede these. Also understand that while your constitutional rights do exceed local ordinances if unconstitutional, it may need to be proven in court to gain a victory. For Legal help, we suggest you contact www.crelaw.org.

What if a present law or a new law one day condemns us for sharing the Gospel? What should we do? "...We ought to obey God rather than men." Acts 5:29b
